PROFILE

Communications and design specialist with 15+ years of experience delivering brand, publication, web, event and public-information work in Vanuatu and across Pacific-facing projects. Practical experience spans government, tourism, development, culture and private-sector communications, with strong capability in taking work from brief through design, review, supplier coordination and final production.

SELECTED EXPERIENCE

Kliawota Disaen

Director / Communications & Design Specialist ·
2022-present

Leads communications, design, web, event and creative production for government, tourism, cultural, development and private-sector clients. Manages briefs, design, review, production files, suppliers and final delivery.

Vanuatu Tourism Office

Selected creative & event communications · 2022-2024

Worked on Sapotem Lokol Turism, Welkam Bak Vanuatu and Kava Festival outputs, including brand application, production support, supplier coordination and public-facing communications.

Fest'Napuan

Communications Manager / Committee Member ·
2015-2024

Maintained and extended a major annual cultural-event brand across sponsors, programmes, social assets, public artwork, stage/screen graphics, signage and live-event communications.

7th Melanesian Arts & Culture Festival / VKS

Branding, communications & event management · 2023

Built the MACFEST 2023 website, designed festival branding and promotions, and supported communications/project management for a major regional cultural event.

CORE CAPABILITIES

- Brand systems & identity
- Publication and report design
- Campaigns, promotions & social assets
- Web design, CMS & content architecture
- Development / public-information materials
- Bislama-English adaptation
- Event identities, signage & screen graphics
- Creative direction & image commissioning
- Print production & supplier-ready artwork
- Procurement, supplier and deadline coordination

TOOLS

Design: Adobe InDesign, Illustrator, Photoshop, Acrobat, Canva

Web: HTML/CSS, Joomla, WordPress, Articulate 360

Digital: asset organisation, social content, CMS training

Production: print management, signage files, supplier coordination

SELECTED PROJECTS

PUBLIC COMMUNICATIONS · PACIFIC CONTEXTS · PRODUCTION

Department of Tourism

Website redesign & communications support · 2021, 2023

Redesigned and upgraded tourism.gov.vu in Joomla; developed architecture/content, supported RTI/news functions and mentored staff in CMS use.

Ministry of Health + World Vision

COVID-19 awareness materials · 2020-2021

Created and adapted widely distributed English/Bislama public-health materials, including the 5 Samting Blong Save / 5 Samting Blong Mekem certification system.

IOM

Reducing Environmental Impacts of Displacement in the Pacific · 2021

Supported Articulate course development, platform selection, content placement, ICT support and creative direction for training used in Pacific-country contexts.

Public Works Department

Government website · 2019

Developed a Joomla website and public-facing information structure for a Vanuatu government department.

MoET + UNICEF

WASH in Schools Facilities Guide · 2023

Worked with subject-matter experts on a Bislama guide for school water, sanitation and hygiene infrastructure; supported project management, communications testing, document production and print.

CARE International

Young Women's Leadership Program booklets · 2022

Designed accessible, engaging workshop booklets introducing leadership and gender themes for young women in Vanuatu.

Oceanic Swim Association

Let's Swim curriculum · 2015-2021

Developed branding and a multi-year range of instructional materials for swim training in natural Pacific environments, including international print coordination.

Pacific Women

Five-country feasibility study · 2018

Designed and produced a multi-country research/reporting product for a regional development initiative.

EDUCATION · LANGUAGE · PRACTICE

M.A. Digital Media — University of Central Florida, 2010–2012

B.S. Journalism — University of Florida, 2006–2010 · English & Bislama — professional communications
